MEMORANDUM FOR THE RECORD

SUBJECT: GAO Reports Involving Agency Activities

25X1A

Messrs. Maury and [REDACTED] met with Mr. Frank Slatinshek, Acting Chief Counsel, House Armed Services Committee, who gave us a copy of Senator Case's (R., N.J.) letter of 17 March to the Comptroller General requesting a GAO study to monitor compliance with Section 402 of the Foreign Assistance Act of 1971 (P.L. 92-226). Mr. Slatinshek also showed us the final undated draft of the followon GAO report of 13 March concerning the civilian war casualty and health program in Laos. A quick scanning of the report indicated the factual nature of the report and favorable tenor of remarks concerning CIA, DOD and AID cost sharing agreements for assistance being provided paramilitary forces and dependents.
